★★★★★

I am also struggling with my sexuality. I am 33 years, still closeted gay man. Lot of things you said resonate with me on so many different levels... Thank you for being out and proud and being a source of immense motivation for so many, including me. - Swapnil

★★★★★

*Just listened to the podcast episode on dating. Powerful sh*t. I needed to hear that. It resonated to the point I'm vibrating. - Francis*

★★★★★

The best energy, the most infectious presence and your words are just uplifting. - Shelly
